Registration of Radiology Service Companies

COMPANY NAME STREET ADDRESS CITY, STATE, ZIP CODE

Attention: Sales Manager or Customer Service Manager

The Missouri Department of Health and Senior Services, Missouri Radiation Control Program has an informal registration process for companies that offer sales/installation/service of radiology equipment and related services. We have been informed of your company, either from the FDA's required reporting system for new x-ray equipment installation (Form 2579) or from one of the radiology facilities we regulate, and are sending you this form. Please complete and return it to our office as soon as possible.

We are asking that you register your company with our Department so that we may add it to our referral list of service companies. This is a list that we provide to facilities we regulate when they have service or equipment needs. Through this process, we hope to benefit facilities as well as provide your company with referral business and new accounts. If you have any questions, please contact our office at (573) 751-6083.

Fax or mail this form to the following:			FAX: (573) 751-6158 Missouri Radiation Control Program Missouri Department of Health and Senior Services PO Box 570 Jefferson City MO 65102
